

# Year 3

## Spring Term

### Newsletter

#### Class News

Hello all. We hope you all had a lovely Christmas break.

Last term the children enjoyed our 'Go with the flow' topic. This term our new topic is called 'Through the ages' where we will be learning all about The Stone Age through to the Iron Age. Please check the school website and navigate to the Year 3 page to see an overview of what exciting learning will be taking place this term.

Please also remember to check dojo which provides key and important information to parents on a regular basis.

Thank you for your continuing support.

Year 3 Team

Miss Cunningham, Mr Edensor, Mrs Hendy, Miss Kelsall and Miss Barber

#### Homework

The homework gives you 4 mini tasks to complete.

This consolidates learning and gives you an understanding of what has taken place that week.

#### Reading

We encourage children to read for at least 10+ minutes a day. Although there will be opportunities during the school day, we ask that you also encourage your child to read at home. Please sign your child's reading diary when you have read with them. If your child reads 3 times (signed diary) they will get a raffle ticket and be entered into a weekly draw to win a prize plus a termly draw to win a book token.

#### P.E

Our P.E. lessons will take place on Thursdays and ALL children should come to school in their PE kit.

Please ensure your child's kit, is in line with the school uniform policy and clearly named. Most lessons will split between indoor and outdoor sessions. Please - no earrings / long hair tied back for health and safety.

#### Time Tables

Times tables and basic skills provide the basis for the more complex maths work that we are doing in Year 3 and so it is crucial that these skills are mastered as soon as possible.

#### Lost Property

We have a large number of lost property items. Please write your child's name in all jumpers/cardigans / PE hoodies to reduce the number of lost items. Thanks.

#### Curriculum Map

Our new topic this term is 'Through the Ages'. Please see our website for the Curriculum Map.

#### Dojos

Please ensure you have signed up to Class Dojo to receive updates and reminders.

#### Water Bottles & Snacks

Please ensure your child has a water bottle in school so they can stay hydrated throughout the day. Snacks at break times should be healthy options only.
