

Year 6 Summer Term Newsletter

Welcome to the Summer Term

It has been lovely to welcome all of the children back to school for the Summer term (the last one of their primary school experience!)

It is set to be a busy final term as we start with our SATs assessments held from Monday 12th May to Thursday 15th May. During this week, children are invited in from 8.15am to enjoy breakfast and a wind down before sitting the papers. We are SO proud of how hard the children have worked towards these papers and know they will try their very best during the week to reach their full potential.

Following SATs, there will be an increased focus on writing as we have to submit our teacher assessments ready for children to go to high school. We have lots of exciting writing opportunities planned to enthuse and motivate the children.

The second part of the Summer term is set to be an incredibly busy one. This will include transition work with high schools, sports week, topic and science days, enterprise projects and leavers arrangements.

We will continue to use class dojo to provide information about upcoming events and any reminders. As always we are able to be messaged via dojo with any concerns or comments.

Summer Term Topic - Hola Mexico!

Bienvenido a Mexico! This term we're going to explore this unique country, from its towering temples to its fun-packed festivals. During Summer term, we'll watch a traditional Mexican performance and join in with percussion instruments. We'll learn about the 'Day of the Dead' and create 3-D skulls.

With the Chihuahuan Desert as our imagined location, we'll write postcards and information booklets. Using maps, we'll locate Mexico and explore its natural features. We'll discover what daily life is like and how it has changed over time. We will study Frida Carlo and re create art work and textiles in her style and finally create our very own Mexican fiesta feast to share.
